2026 Out of District Pool Membership Packet

Hello,

Pool memberships are \$600.00 for the 2026 pool season.

This is the pool application packet for the STMD/SWTMD Out of District Pool Membership. Please fill out the pool application and submit pages 2 and 3, signed, along with your payment to STMD.

After the District has received and processed your pool application and payment, you will receive an email confirming whether you have secured an Out of District Membership. Payment must be made by check or cash. No credit card payments are allowed.

Please note there is a limited number of Out Of District memberships sold and are sold as a first come first serve scenario.

If you purchase a membership, the District will then issue you access through a **mobile phone-based entry system**. You will receive instructions via email on how to download the app and activate your account credentials.

*****PLEASE NOTE THIS SYSTEM IS NEW AND DIFFERENT THAN PREVIOUS YEARS*****

- **Each household will be assigned two primary account credentials (This means two (2) devices will have the access; multiple devices cannot log into the same account)**

If all memberships are filled after we receive your form and payment, the District will notify you and return your check.

This access is for you and your family only and may not be shared. The mobile access system will function during pool operating hours at the east gates for entry into the pool area. Access will not allow entry into the Community Center.

Because access is digital, there is no need for in-person pickup. All setup instructions and access details will be sent via email.

Pool memberships are not prorated for any reason, including sign-up date, weather, staffing issues, or mechanical issues. After your application and full payment are received, you will be notified via email with instructions to activate your mobile access credentials.

Please keep in mind that memberships are limited and may sell out.

SORRY, NO CREDIT CARDS
